BUSINESS BEYOND BOUNDARIES - 5 & 6 OCTOBER 2015

IoD Netherlands presents a two-day event in London, incorporating a Business Forum and the IoD Annual Convention at the Royal Albert Hall

Following the success of previous years' events, IoD Netherlands is once again organising a business forum on the eve of the IoD Annual Convention in London.

We start with lunch at the offices of prestigious international law firm, Osborne Clarke, where speakers from Het Financieele Dagblad, TechUK and Osborne Clarke will provide their insight into the EU's Digital Single Market strategy and other topics.
